Re: Thompson et al. v. World Alliance Financial Corp. et al.
Case No. 08 cv 4951
Production of Electronically Stored Information

Dear Honorable Judge Tomlinson:

Per your Honor's March 26, 2009 Order, the parties jointly write to inform the Court of their agreements regarding the production of electronically stored information ("ESI"). Plaintiffs contend that e-mails, Excel spreadsheets, Word documents, and payroll information, should be produced in a searchable electronic format. After the parties met and conferred, Defendants agreed to produce, to the extent possible and applicable, ESI in a searchable format, such as "searchable PDF." Plaintiffs do not anticipate having any such documents to produce. As of today's date, no ESI materials have been produced by Defendants, but Defendants are working in good faith to produce responsive documents in the format requested by Plaintiff. The parties will bring any disputes to the Court's attention.

Sincerely,
